

### **Yard Waste Attendant**

Opens and closes yard waste area during extended hours- Monday and Wednesday evenings (4pm-7pm) and Saturdays (9am-3pm).

Monitors yard waste area to ensure customers are dumping in correct areas, do not dump non-acceptable materials, and watches area for safety. Gives customers instructions on unacceptable materials

Picks up litter in between customers on site- gate area and yard waste area

Ensures customers are not smoking on property- pets and children remain in vehicle at all times and rules are followed.

Follows all safety rules of facility including **not assisting** with unloading of materials, wearing safety clothing and shoes, and complies with no-smoking rules.

Is reliable and dependable.

It gets hot in the summer, cold in the spring and fall and in Iowa we get rain, snow, sleet, hail, thunder and lightning, wind, etc. While we do our best to watch the weather it is ever changing. Plan to work in all weather.
